Chipper Lowell

By the time Chipper was 16 years old, he had visited every state in the U.S. at least 3 times, and traveled to a variety of other countries including Mexico, Canada, Australia, New Zealand, England and Ireland. He was born into "show business" from Day One, thanks to his rather eclectic parents. By age 19, he started performing on his own, professionally, as a comedian magician and never looked back.

Chipper has appeared on *The Tonight Show, the Disney Channel, General Hospital, America's Funniest People, Street Magic, Show Me The Funny!, Don't Blink!, Christmas Magic,* and over multiple guest appearances on all 11 seasons of the CW's popular series, *Masters Of Illusion.* His critically-acclaimed, solo show*, "The Chipper Experience! – Where COMEDY & MAGIC Collide!"* has been touring theatres and performing arts centers throughout the U.S. and Canada for the past 25 years.

He has been honored with *"Comedy Magician of the Year"* twice, and received the Senator Crandall Award for *"Excellence in Comedy."* He's also been nominated 4 times over the last 10 years for *"Stage Magician of the Year"* by the Academy of Magical Arts (aka The Magic Castle), and MAGIC Magazine named him as one of the *"Funniest Magicians Performing Today."*

This particular production is a bit of a love letter and a whopping amount of appreciation and gratitude to his entire family, offering up personal stories and anecdotes from two generations of variety artists. All, bona fide "true tales," and a few sprinkles of impossible 'fake magic' along the way. We hope you enjoy the show!

When not "on the road", Chipper resides in southern California, with his incredible wife, smart-as-a-whip son, and a mortgage. (Not necessarily in that order.)
